As the Class of 1992 prepares to leave the gates of Assumption College, we look back on the campus that we have called home for the last four years. We, as Seniors, have seen the grounds of Assumption go through many changes both, emotionally and physically. These changes have come in many different shapes and sizes. From the new Assumption College sign at the front gate, to the refurbished Talyor Dining Hall, and to the construction of the Emmanuel d'Alzon Library. The graduates of 1992 have reached a point in time where they must leave the confines of this small campus. Seniors may have to leave Assumption physically, but their spirits will always be here. The future Alumni of 1992 will continue to grow, as will Assumption College itself. This can be seen in the construction of the new Plourde Recreation Center. The future growth of Assumption College is and will always be guaranteed. The guarantee is the very foundation in which it is based upon, the Class of 1992.

## To the Graduating Class of 1992,

Capturing the past four years of memories created at Assumption is virtually impossible to do- within two hundred pages. I hope the Yearbook Staff has been able to convey those special moments in a way which everybody can relate to and keep with them for the future years to come. Although the future will hold different paths for each and every one of us, we can all relate to the future as a symbol of the times to come. Not only can we consider the times to come, but we can also look back at where we have been.

In order to create a yearbook which is unique to the Class of 1992, the Yearbook Staff tried to incorporate new ideas into this book. We have also chosen to continue with those traditions typical of past years. The Staff feels that the blend of the old and the new represents our class and adds a little uniqueness to the book. The Yearbook Staff hopes that we have made this yearbook one which we, the Class of 1992, can be proud of.

At this point in our lives, this phase is now complete, and it is time for us to move on. We have just begun to realize what life has to offer us and that we have the ability to do what we want with it. The future is ours, but may our memories of Assumption College live on forever.

Thank you for helping to make the Yearbook successful.

Faculty & Administration

Our instructors are a very important part of our life at Assumption College. They not only give us the knowledge we need to be a success, but they also provide a support system that is very much appreciated. These teachers believe in us and share in our joys and achievements as well as our disappointments. And for this, we must thank our faculty. We may not always show it, but we do appreciate all your help in preparing us for the future.

A black and white photograph of a mountain range under a cloudy sky. The mountains are dark and silhouetted against a lighter, overcast sky. The foreground is dark and textured, possibly a field or a forest. The overall mood is somber and contemplative.

## Believe In Yourself

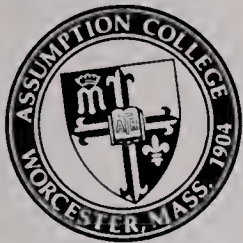

Strive for high ideals, but do not look down on others who you think fall short of your own standards. On the other hand, do not feel bitterness towards those who see only your surface and not your real worth. For, if you believe in yourself, those who matter will recognize your qualities and you will be rewarded.

Do not be too easily impressed by those who are successful or powerful, ignoring their personal qualities. Nor should you regard those who are without wealth or prominence of little worth and avoid them. Instead, seek out those who possess integrity and high ideals, without regard to their status.

In this way, you will gain the affection of those whose friendships will be most enduring.

We would like to thank our parents, family, friends, and teachers for teaching us how to believe in ourselves. Your love and support means more than you'll ever know.

# ASSUMPTION COLLEGE

500 Salisbury Street, PO Box 15005, Worcester, MA 01615-0005 Tel: 508/752-5615

Dear Graduates:

I am very pleased to offer my warmest congratulations to the Graduating Class of 1992.

As you complete your undergraduate education at Assumption College, you have so much to look forward to and a future filled with great promise. You have received an education steeped in the centuries-old traditions of Christianity and liberal arts, and have been given the skills and insights to meet the challenges that lie ahead.

It is my sincere hope that you take full advantage of what you have learned at Assumption to achieve great success in your careers and in your personal lives. May you also contribute your diverse talents to improving the lives of those less fortunate and work in support of the Church and your local community.

Remember that you will always be a member of the Assumption College community and we welcome your continued interest and involvement as alumni and alumnae.

God bless you all the days of your lives and may He grant you health, happiness and prosperity.

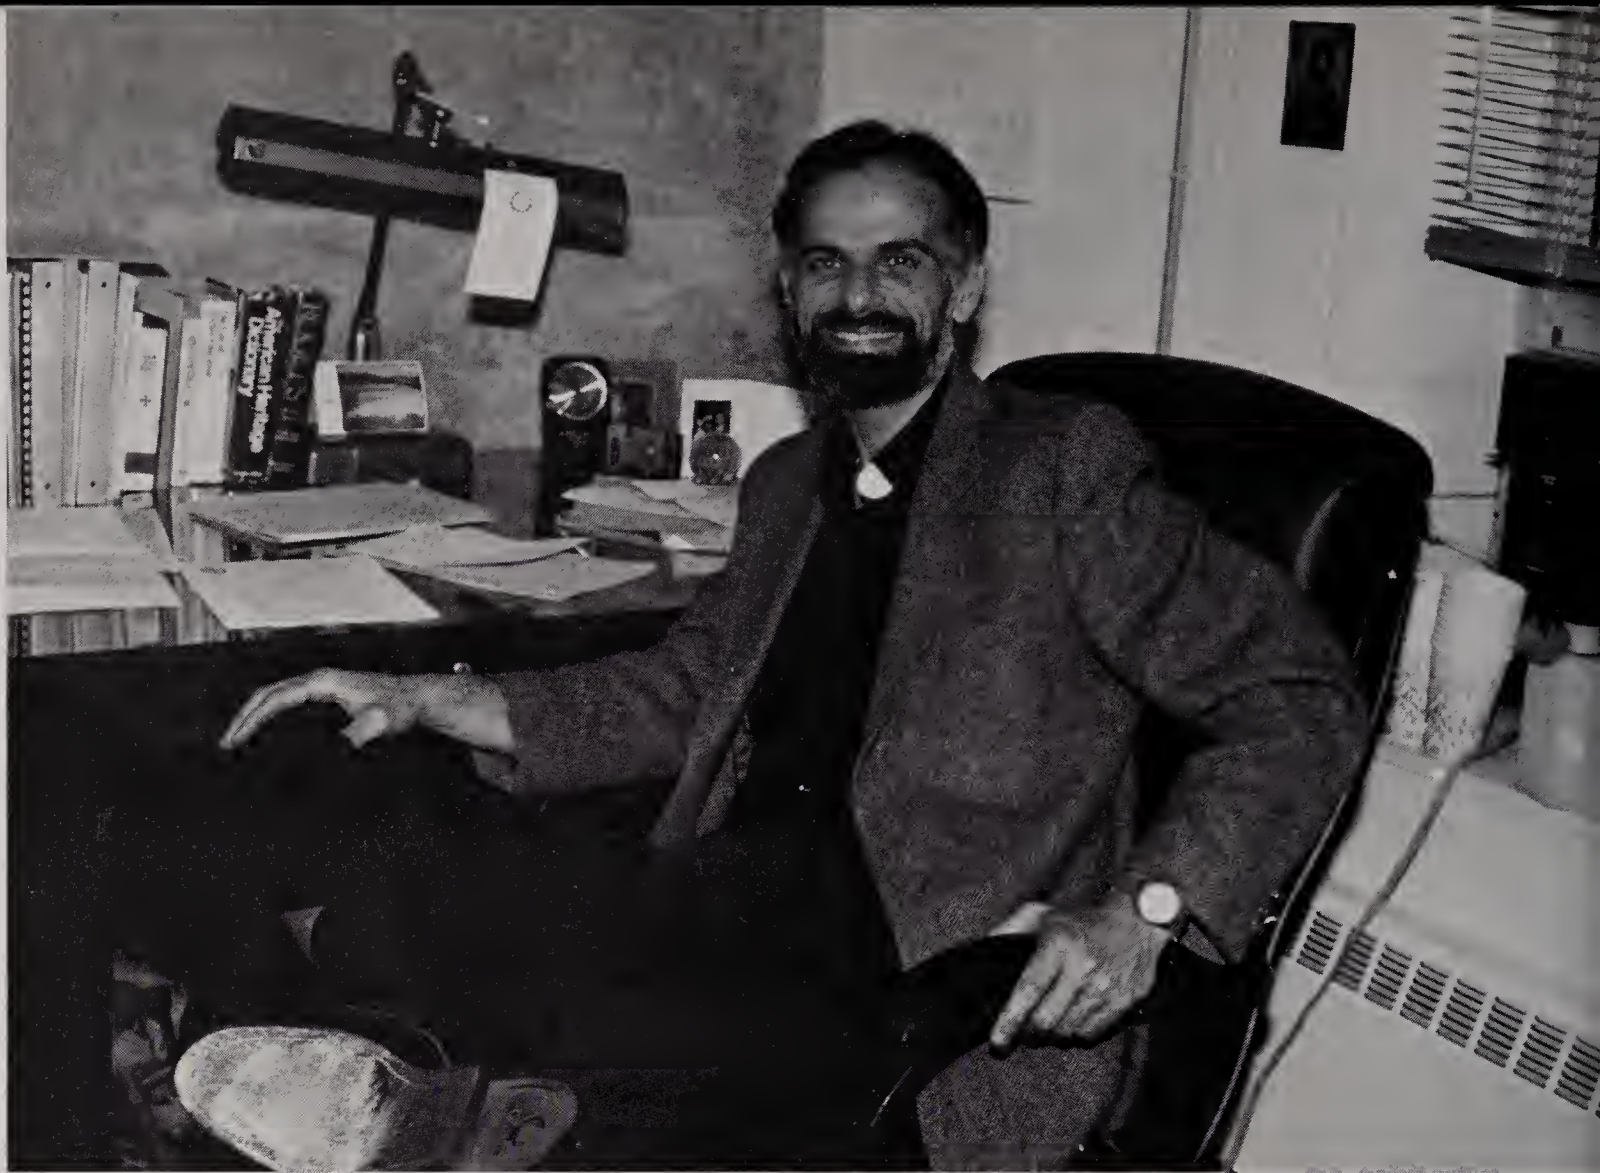

With all good wishes,

Sincerely,

Athletics

## Athletics

The Assumption College athletic program plays a major role in the everyday functions of campus life. The Athletic program is geared towards the student body where they may choose to participate or just choose to cheer the various teams on. Assumption Colleges' men's varsity sports include: Football, Baseball, Lacrosse, Basketball, Cross Country, Hockey, Soccer, Crew, Tennis, and Golf. The women's varsity sports consist of: Soccer, Softball, Tennis, Crew, Basketball, Cross Country, Field Hockey, and Volleyball. Each year, every team puts in long, hard hours of practice in their quest in capturing the Northeast-10 Conference Title for their sport.

Assumption College sports are not just played against rival schools. The Assumption Intramural/Recreation Program is focused upon the everyday athlete-wanta be. The program offers a variety of intramurals for both men and women. The various types of intramurals include: Basketball, Indoor Soccer, Volleyball, and Softball. The Intercollegiate Athletic Program at Assumption College allows all students to enjoy athletics whether or not one stands on the sidelines, or if one starts in the starting line-up on a team. In all, the Athletic program has come to symbolize what Assumption College is proud to stand for: Competitiveness, Vitality, and Spirituality.

The 1991-1992 Assumption football season is not what the team would call a dream season. The Greyhounds started off well, but slowly went downhill as the season carried on, ending the 1991-1992 season with a record of one and eight. The 1991-1992 season had its negative points, but it also had its positive ones too. This year's Senior Class brought the Assumption football program from club football status to a division three football team. It is the hope that the teams of tomorrow will help to get the Assumption College football team to the next level-a division three championship.

# Hockey

The hockey season began with tremendous promise and finished in like manner as the Hounds enjoyed the finest year in the history of the sport at the College. Posting 20 wins (20-6) for the first time, winning the regular-season championship of the E.C.A.C. North Conference with an 18-2 mark, and getting their seventh E.C.A.C. post-season tournament berth since 1982 highlighted the season.

# SOFTBALL

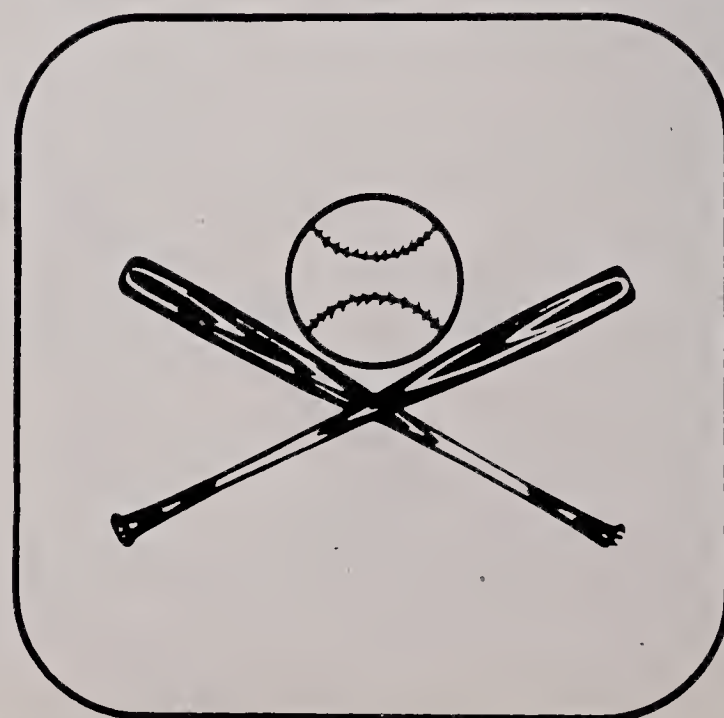

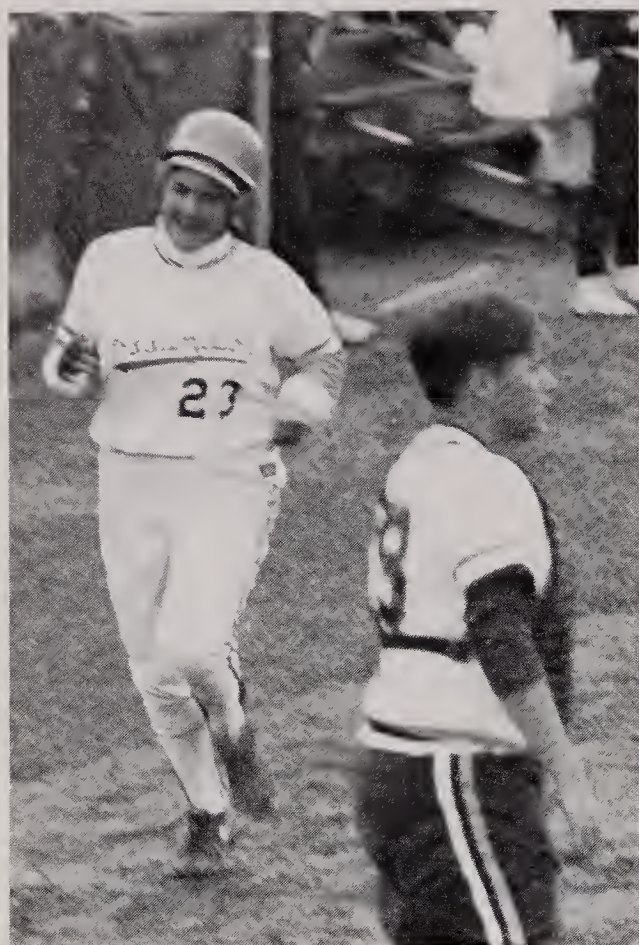

The softball season finally got underway at the end of March, despite setbacks from Mother Nature who dampened the field but not the spirits of the players. The unexpected rain forced the team to spend a considerable amount of time in the confines of the gym, much to the dismay of the players. It was extremely frustrating. Yet the long nights practicing in the gym paid off when the Lady Hounds hit a streak, winning eleven games in a row, and earning the highest batting average in the league. Our success was directly attributable to the emphasis placed on the "total team" rather than on individual talent. This togetherness enabled us to end the season with a 31 - 16 record.

Organizations

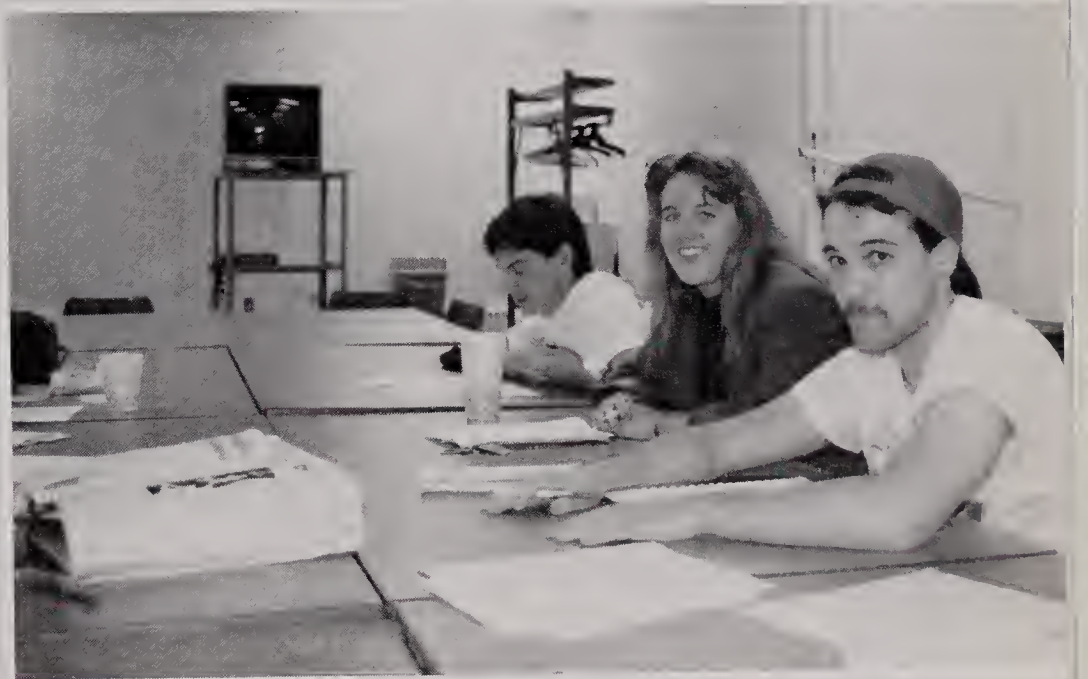

# Clubs and Organizations

Club Day 1991

Assumption College has a great variety of clubs and organizations on campus. Each student is strongly encouraged to take advantage of the many ways to receive personal development and leadership skills by participating in them. Every Fall semester, Assumption puts on a Club Day. This is an event where every club has an opportunity to display to students what it is about and how to participate.

# Student Government Association (SGA)

The Student Government Association had a highly productive and extremely rewarding year. The 1991-1992 Senate was vocal in sponsoring many proposals such as; to restructure Course Evaluations, Re-shaping the Food Service meal plan, and addressed various solutions to damage in the residence halls. In addition, SGA continued with student services which included: the Sunday newspaper delivery, the Student phone directory, and the Freshman facebook. the biggest 1991-1992 SGA events included: the "Volley to Beat Leukemia," and the Massachusetts Special Olympics Basketball Tournament. This year's success of the SGA is only a stepping stone to the higher goals that will be reached in the future.

# Commuter Council

This year the Commuter Council has been very active on the Assumption College campus. With its sixty members, the council has sponsored numerous activities. The 1991-1992 activities included: Bake sales, Soda and Candy sales at the Comedy Lofts, and a suitcase dance. The Commuter Council's biggest achievement has been the establishment of the Commuter Lounge in the Lower Level of the Campus Center. The 1991-1992 council plans have been very successful and hope that they will continue in the near future.

# APICS

APICS (American Production Inventory Control Society) is a nationwide organization comprised of manufacturing firms which are involved in educating students through individual school chapters. The Assumption College chapter has been one of the largest in New England for the past three years with over fifty members. This year APICS toured Frito-Lay and observed the process used to make their products. APICS has also sponsored various speakers from surrounding Worcester area businesses. Topics of discussion included: the present economic recession and the business world of tomorrow. These activities would not have been possible without the guidance of the student advisors of APICS. Assumption College's chapter is advised by Professor Saeed Mohaghegh and Professor James Bennardo.

## Spanish Club

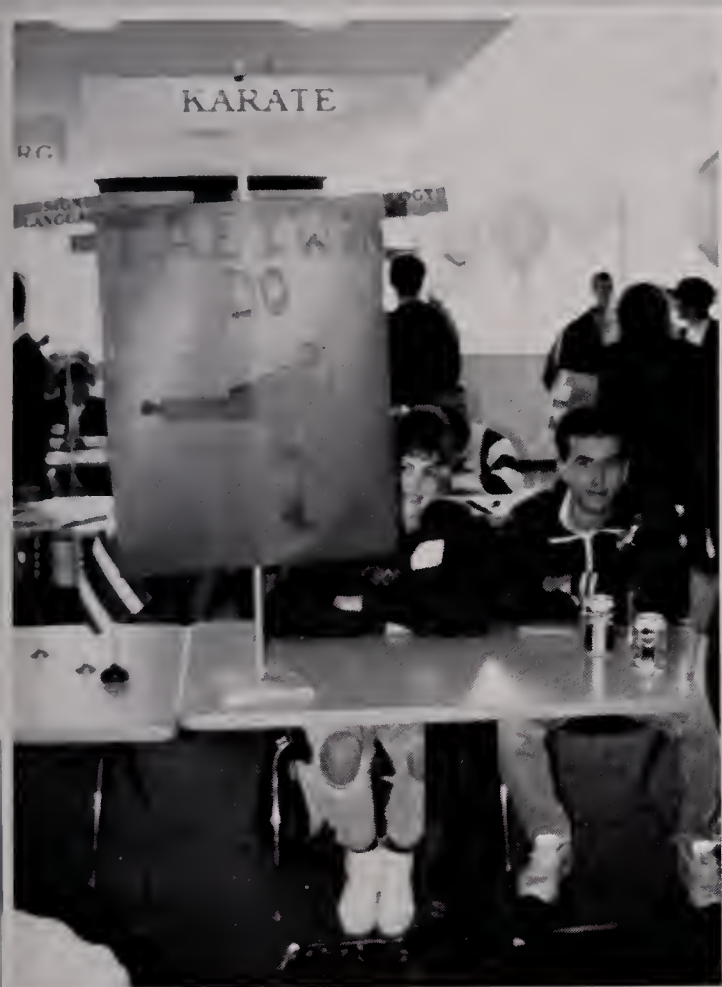

The Spanish Club consists of twelve members who are either majors or minors in the Spanish language. Every year the club plans various fund raising events and small activities. This year the Spanish Club had a profitable Halloween Fundraiser selling candy to Assumption College students via their parents on Parents Weekend. During the Christmas season, a portion of this money was donated to Centro las Americas for their outstanding work in the Hispanic community. Also, a few of the Spanish club members have volunteered at this center and at surrounding Worcester area schools. The remainder of the money raised helped to provide the showing of numerous movies on campus, such as "Erendira."

Ski trip to Quebec City

This year, the Assumption College Ski Club traveled to Quebec City and skied at Mt. St. Anne, for the first time. The trip's success was reflected not just in the number of participants, forty+, but also in the attitudes of the club members after the trip. The Assumption College Ski Club also sponsored trips to Wachusett Mt. and to the challenging

"Tuckerman's Ravine" in northern New Hampshire. Out of the forty+ members who went to Quebec City, fifteen members were senior veterans of the Ski Club. The 1992 officers were John Sullivan, Dan Staples, Ken Corriveau and Kerri McCallion.

# The Phoenix

The Phoenix is Assumption College's creative magazine where students submit their work (i.e. poems, prose, stories, and photographs) to the staff for printing. When the Phoenix staff meets each member receives an anonymous copy of a submission and discusses whether or not it should be published. This 1991-1992 year marks the Phoenix's third year of publication after its rising. Each issue is published every spring and is given to the Assumption College community for their reading enjoyment.

## Chorale

The Assumption College Chorale, directed by Dr. Michelle Graveline, is made up of forty-eight young men and women. The Chorale keeps busy twice a week rehearsing a wide array of musical pieces. The highlight of the fall semester is the concert during Parents Weekend. The spring performances include: the Cabaret and this year being a tour year, the chorale will close the semester with a Bon-Voyage Concert. The Bon-Voyage Concert will send the Chorale off on an extensive tour of Italy, under the guidance of Dr. Graveline. The 1991-1992 year has been successful one and for the Assumption College Chorale and also a very exciting one at that!

# Senior Class Gift Committee

The 1991-1992 Senior Class Gift Committee consisted of thirty-eight people. This year's Chairperson was Lee Ann Murray and was Co-Chaired by Judy Swidey, Chris LeMoine, Anna Iannuzzi, and Kim Frank. The committee has doubled its membership since last year's campaign. The committee was responsible for soliciting the Senior Class for their gift of twenty dollars.

The 1992 Senior Class gift was an engraved stone memorial which was placed in front of the d'Alzon library. The memorial stone is a five by six piece of pink Canadian granite and will have the college crown and shield emblem with the Latin quote, "Donec Formetuer Christus in Vobis."

The goal of the committee was to rise six thousand dollars. To date, the Senior Class has raised an amazing forty-one hundred dollars. A further appeal went out to Senior parents asking them to help reach our goal. Thus far, parents have contributed over eleven-hundred dollars to the campaign. The Senior Class gift dedication ceremony was held on May 3rd, 1992 and is on display for all to see and enjoy.

## Club 21 Committee

Club 21 is a pub on campus that is run by the Senior Class Officers and other members of the Senior Class. Club 21 is the Senior Classes main fundraiser. The money raised at Club 21 goes toward defraying the cost of Senior Week. The Club usually takes place every weekend unless there is another Senior event planned. The 1991-1992 year was marked by a few theme nights such as; a seventy's party, a Halloween Costume Night, a Nut's-n-Bolts Night, and St. Patrick's Day Party.

Workshop on resume writing and interviewing skills with Carol McGuigan

Saint Luke's society is a club for Natural Science majors who may be interested in a career in the health professions. The intent is to expose the members to a variety of health careers and to supply helpful information for getting into graduate school.

The officers for the 1991-1992 academic year were Chairperson Tammy Clifford, and Co-Chairperson: Timothy Fitzpatrick. This year's activities included: The Great American Smoke-Out, Upperclassmen and Underclassmen Pre-registration meeting, a discussion on medical ethics, and a workshop on resume writing and interviewing skills. The existence of Saint Luke's society is result of two years of hard work by its Chairperson Tammy Clifford.

## Peace and Justice Committee

Founded in 1981, the Peace and Justice Committee provides education and activities with Catholic social teaching on campus and in the greater Worcester community. It is composed of faculty, students, administration, staff, and works with similar organizations, such as: The Worcester Consortium Colleges and the Diocese Catholic Peace Fellowship. The Assumption College faculty moderators are: Ann Murphy, Cecilia and Michael True. During the 1991-1992 academic year, the Peace and Justice Committee was active in sponsoring numerous events. Some of these events were: the Charlie King Concert, Aegis Plowshares, The Centenary of Rerum Novarum and the annual OXFAM American benefit drive and various other events. The number of sponsored events by the Peace and Justice Committee can only be a sign of a brighter and stronger club for the years to come.

# Education Club

It is the purpose of the Education Club to create a support group which offers extracurricular opportunities to better prepare its members for their future in the education field. Events this year consisted of a student-teacher panel, a discipline role discussion, a resume writing workshop, and a department chair informational meeting.

Dawn Lango (Secretary), Laura McManus (President), Sue Verrier (Vice President)

# Math and Computer Club

The purpose of the Math & Computer Club in the words of Paul Lussier (President) is "to have fun with math and computers outside the classroom." However, avid member and Vice President P.J. Hanley comments that what the club real does is "tie up Internet lines with email and chesservers." No matter what the purpose or activities, the Math & Computer Club will continue to grow as the computer center does itself.

The Sign Language Club was started in the Fall of 1991. Its goal is to give students an opportunity to experience Sign Language outside of the classroom and to discuss events in the deaf community. All Assumption College students, experienced or non-experienced, are welcome to attend meetings and workshops.

The Social Rehabilitation Club was reinstated in the spring of 1991. The club is made up of twenty students who can be characterized as people who care about people and enjoy doing things for others. Our activities include: visiting patients in hospitals on the holidays and bringing treats to the children and the elderly.

The Social Rehabilitation Club has also sponsored movies such as, "Titi-cut Follies," and has had a number of speakers come to talk to students on such topics as, violence and genetic counseling.

## Psychology Club

*Special Events*

The Campus Activities Board (CAB) along with many other campus organizations have worked hard to bring many special events to the Assumption College student body. The activities include: winter and spring semi-formals, concerts, and numerous comedians. These special events offer alternatives to studying, watching TV, or just sitting around in your dorm room. Each event varies in order to satisfy the tastes of every individual here at Assumption. Through the friendly and relaxing atmosphere of these programs, students are able to socialize and experience new insights which are essential to a fulfilling social education here at Assumption College.

# Parents' Weekend 1991

Appropriately named, "Though the Years," October's Parent's Weekend was a chance for Seniors to celebrate the past and future with their parents and a time for Freshmen to begin building their own memories here at Assumption. This year's Parent's Weekend was a success due to the efforts of Heidi Ganss, Assistant Director of Student Affairs, Robin Ayers, Parents' Weekend Chairperson, and the entire 1991 Parents Weekend Committee.

There were enough events planned to suit everyone's needs throughout the weekend. Friday's highlight was the well attended variety show. Hypnotist, The Astonishing Neal, kept the Laska Gymnasium audience mesmerized by his power to control the human mind. Students performed various dances and acts featuring a great finale which had students convinced they were members of a famous rock band, jamming for the audience. Comedian Walli Collins kept the audience laughing as he announced the assorted student acts. Several students showed us their musical talents, such as the band, P.B. and J., and humor through a Monty Python skit.

Saturday began with a State of the College Address from President Joseph Hagan. Later that morning, sports fans cheered on Assumption's soccer and football teams, while music lovers relaxed to the sounds of the Assumption College Chorale. Saturday night brought one of the most popular events of the weekend, the parent-student dance. And, this year was no exception. The Caribbean Cruise theme transported parents and students to a luxury boat where they could try their luck at the casino, enjoy a game of shuffleboard, or dance the night away to the golden oldies.

Sunday ended Parent's Weekend with an elaborate brunch at Taylor Dining Hall, mass at the Chapel of the Holy Spirit, and a SGA volleyball tournament to help benefit the Leukemia society. As parents and family left Assumption on Sunday, students were left with memories of Parents Weekend 1991, memories which they can reminisce "Through the Years."

# Christmas Ball

*December 11, 1991*

On December 11th 1991, three hundred people attended the Christmas Semi-Formal. It was held at the Knights of Columbus Hall in Shrewsbury, Ma. The music was provided by Conti Bros. Sound Service of Worcester. The meal was stuffed turkey, mashed potatoes and a blend of vegetables. With the exception of some small problems in the scheduling of Limos, the evening went on superbly. The dinner and dancing and drinking that accompany all Semi's was abundant. At the stroke of twelve everyone returned to their limos and headed back to AC and began to think about the Spring Ball. All who attended had a great time!!!

While the Christmas Ball is a time for going out on the town, it is only truly enjoyed when it is shared with friends. Laughing, talking, and dancing together makes this night one of the most memorable of the year.

The day was March 28th., 1992, the third day of Spring. However, outside looked more like January 28th in Antarctica. The presence of wind blown snow and ice did not, however, hinder the 1992 Spring Semi-formal at the Holiday Inn of Worcester. This was the night that many couples set aside their monotonous schedules and geared up for a wild night of song, dance, and drink. The evening events were kicked off with a home-styled chicken dinner and strawberry ice-cream cake dessert. The evening progressed along with DJ selected songs like; "YMCA", the "electric slide", and everyone's favorite "Oh-What a Night". As students left the 1992 Spring Semi-formal, one comes to realize why there are formals at Assumption College. Semi-formals bring students together to celebrate the very thing Assumption College has come to be known for: family, warmth and a good time for all.

*W*

The date circled on the calendar was February 21, 1992. The reservations were for the Worcester Marriott. The event was the 92 Days party. This was the night the Class of 1992 put aside their worries of job hunting, exams, and officially started their countdown to graduation. The evening atmosphere was dominated by the excitement of song, dance, and drink. The tone of the evening was heightened by the brilliant sounds of Assumption favorite Dave Binder with his entourage of melodies from James Taylor to a few renditions of his own. This night brought the Senior class together to celebrate the past four years and to our last 92 days here at Assumption College.

**92** DAYS

All Seniors have that one "hell" week where everything that could go wrong, does go wrong. Whether it is a test, a paper, or another rejection letter, Senior year for everyone is full of stress and anxiety. However, one constant event breaks that monotonous routine. That event is Club 21. Club 21 is an event which most of the Senior class attends on a regular basis. The main reason for its success is that it is a place where students can drink and socialize in a bar setting without having to leave campus. It is a place where one can go to be with the other members of your class, since not everyone goes to the same bars during the week. The interaction between fellow Seniors usually leads to some interesting and sometimes embarrassing stories.

Besides providing funny stories, Club 21 is also a place where many Senior memories are made. Special event nights such as; Karaoki night, the Halloween dress up, and the 70's night, are usually the most memorable. These nights give us a chance to see what our classmates are really like. And, we have some very unique people in the Class of 1992. Let's face it, the two dollar cover and the one dollar drinks are a small price to pay for the everlasting memories made and shared at Club 21.

# 50 Days Party

The 50 Days Party was held on April 3, 1992. The night's festivities took place at the Holden Hills Country Club in Holden, Mass. The seniors celebrated for one more time, an evening together. As they remembered the old times and created new memories, the realization that graduation was just around the bend slowly crept up on everyone before the night was through.

Whitey and Lisa tried their best to remember who exactly won the superlatives but had to resort to writing them down on cocktail napkins. (Thanks to Leslie Horne for her impeccable memory). Finally the announcements were made and the crowd cheered for their classmates who best personified each superlative.

Only 50 days until graduation; it came awfully fast, didn't it?!

# 1991-1992 Coffeehouse Series

The Assumption College Coffeehouse series enjoyed a very successful year in 1991-92, as six musical acts were spread out over the past Fall and Spring semesters. Under the coordination of Senior Eric Johnson and the Campus Activities Board (CAB), the series gained a loyal following in only its second year on campus. The Coffeehouse is designed to provide students with a free and alternative style of live music in an intimate setting, such as the Campus Center Lounge. The largely acoustic music ranged from traditional folk, and blues-style to modern rock cover songs.

The month of October brought the first act to Assumption entitled "Hunter's Cry." The talented trio from Rhode Island sported rhythm and lead guitars along with back up keyboards and percussion to give the audience music by such groups as the Grateful Dead and R.E.M.

The November date was filled by the student act "P.B. and J." The core of the group is made up of Peter Doherty and Bill Braychak who, along with special guest Andrew Malione, delighted a large student gathering with a strong set of solid material.

The Coffeehouse started up early in the Spring semester in January with the talented St. Michael's College student Matthew Shippee. The show began with Senior Tony Morin and Eric Johnson who provided an opening act for the night by working through a brief, but solid six song set. Whereas Shippee provided an excellent three-hour program mixing Bob Dylan classics with metaphorical originals and rousing blues tunes.

February and March brought the return of two Assumption "regulars", Scott Smith, Doug Moore, and the crowd-pleasing Tom Acousti. Each made their third appearance on campus in two years, and both acts proved, once again, why they continue to be asked back. The highlight of the Smith and Moore show was a cover of the Elvis classic "Blue Suede Shoes." Senior Rob Callahan, a self-professed Presley fanatic, hopped onto the stage and paid homage to the king with an interesting display of vocals and hip gyrations.

The Tom Acousti show went quite well despite the scheduling faux-pas of St. Patrick's Day. Loyal fans bypassed more traditional activities that night and thoroughly enjoyed Acousti's original guitar and piano playing.

The 1991-1992 Coffeehouse came to an end on April 14 with soloist Gary S. Jones, a native of Springfield. Prior to a mid-week break, students began to look forward to the relaxed atmosphere that the Coffeehouse provides. It is the hope of CAB and the Coffeehouse faithful that the program can flourish and become an Assumption institution in the future.

Siblings' Weekend 1992 was a great success, thanks to the Siblings' Weekend Committee. The committee included: Andy Viens, Kim Ducharme, Cindy DeNaples, Kim Hodges, John Rago, Lauren Cosgrove, Eillen Belanger, and Chairperson, Julie Sacchetti.

Siblings' Weekend started on Friday night with the movie "My Girl." Other Friday night events included a Sibling-and-student professional Simon Says Game, and the Siblings Game with Emcees John Rago and Kim Hodges.

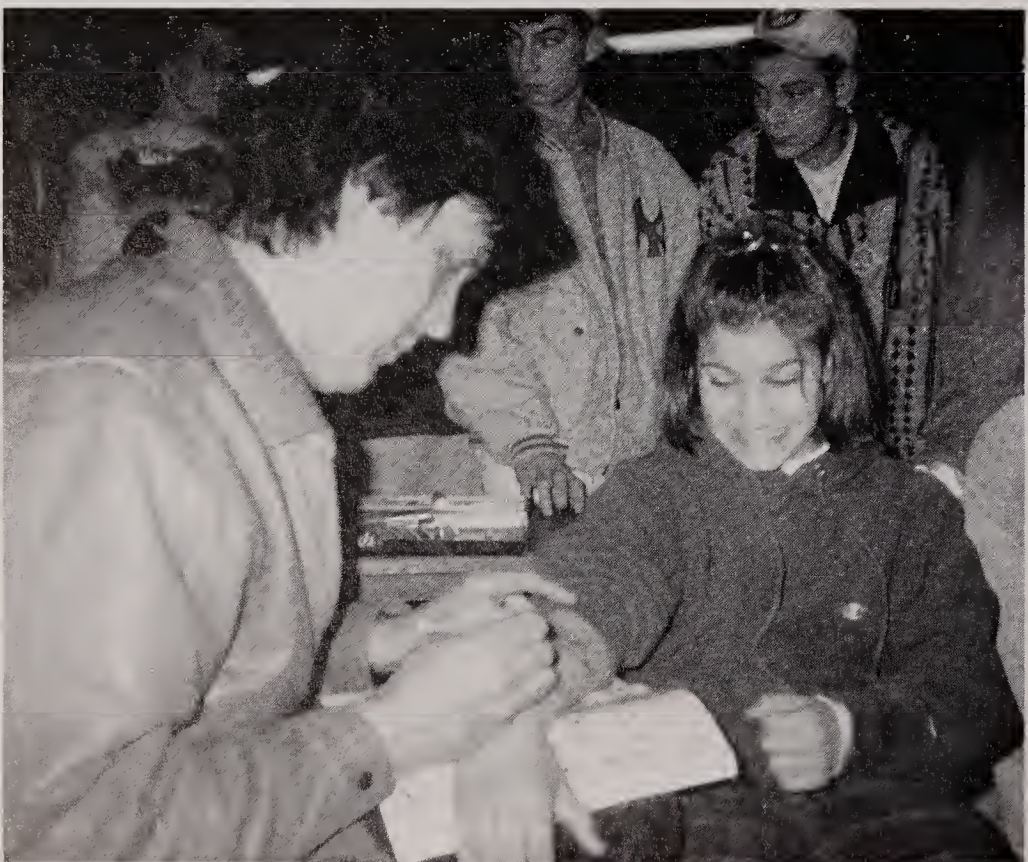

Saturday's events started up with a bang. The day featured the Velcro Wall and Airball- a volleyball game played on a blow-up mattresses. Other circulating events were: a caricature artist, phony tattoos, and Wacky Id's. Saturday evening brought everyone to the Campus Center Conference Room for Murph- the physical comedian and John Atetson- an unbelievable magician. The 1991-1992 Siblings Weekend ended with a Lip Sync contest, which was won by the Gianino family! Thanks and congrats to all who helped make the 1991-1992 Siblings' Weekend a great success.

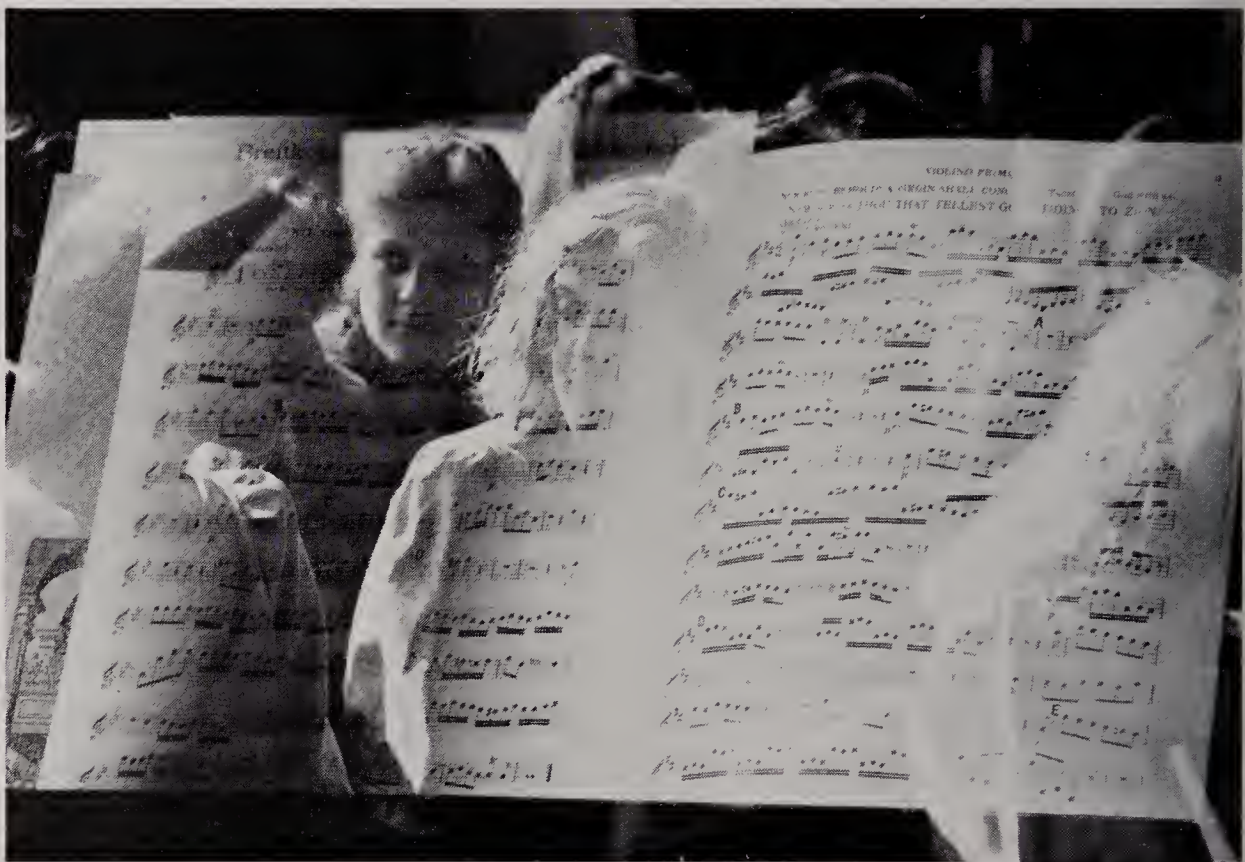

All of the siblings and students who participated in Siblings' Weekend, would like to thank Julie Sachetti. Her time and effort were greatly appreciated.

# Chorale Concert

"Every year we do this concert, and it's our favorite one- where else do we get the best audience- our parents," states Dr. Michelle Graveline. She says it every year, and it's always true. Parents' Weekend is one of the biggest concerts of the year for the Assumption Chorale. Singing such songs as, "Precious Lord" with the Chorale Alumni, makes the concert that much more impressive. Every year, after the Assumption Chorale gets out of those blue gowns and tuxedos, and reflects on their ditties, Dr. Graveline will sit back and say, "That was the best one ever," until next year!

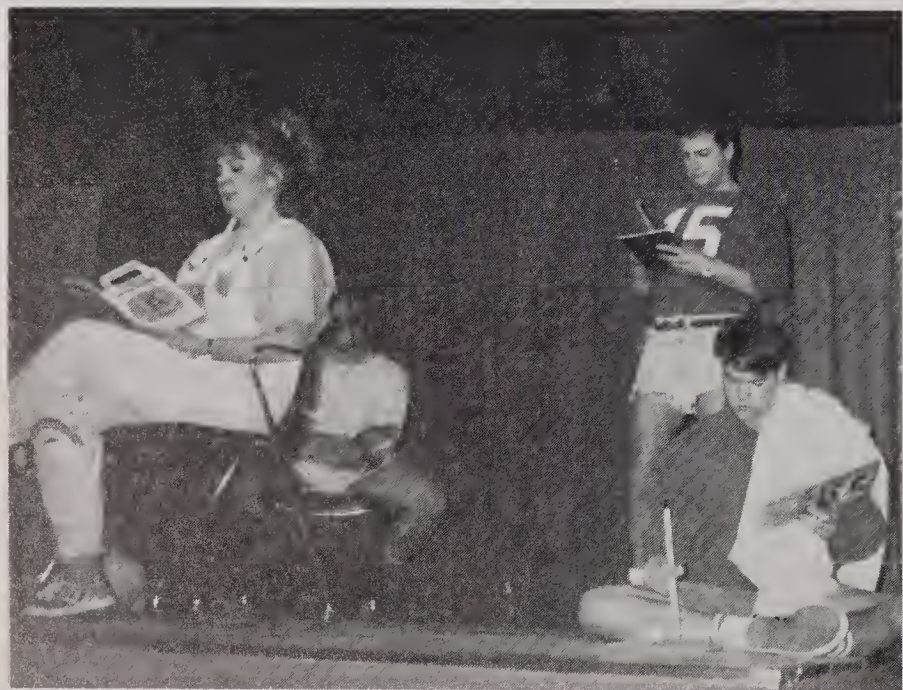

# "This Joint is Jumpin'"

Once again the Assumption College Chorale was able to pull off a fantastic Cabaret. Through hard work and dedication, the members of the chorale made this Cabaret one of the best they have ever done. The Chorale's talent was very apparent by the wide variety of songs they performed. The different performances ranged from a series of jazz to child show tunes and not to mention the wide selection of Gershwin melodies. Anyone who saw the 1992 Cabaret knows that the Chorale's hard work has most definitely paid off.

# Out and

"What time ya goin' out?" The familiar question is heard every week beginning on Thursday afternoon. And, the answers are as varied and unique as our class itself.

When we were freshman- let's face it- anywhere we could get into was great. Those of us who were lucky actually went to Leitrim's and didn't get turned away at the door.

As the years went on our tastes changed. Yes, Leitrim's was still a stand by, but places like Margaritaville and the Blarney Stone became familiar haunts. And, we'll never forget the party the baseball team sponsored at Algiers that cold night in November.

Now, as Seniors, "our place" is Casey's. With *Brown Eyed Girl* and *Oh What a Night* coming from the jukebox we dance, laugh, drink, and enjoy our last year together. We still hit the other spots though and many Assumption students can be found at Bahama Bob's, The Firehouse Cafe, Sh-Booms, and "The Tip."

Believe it or not, drinking "establishments" aren't the only places to go on the weekends. And when the munchies hit full force, we tend to head to the Acapulco

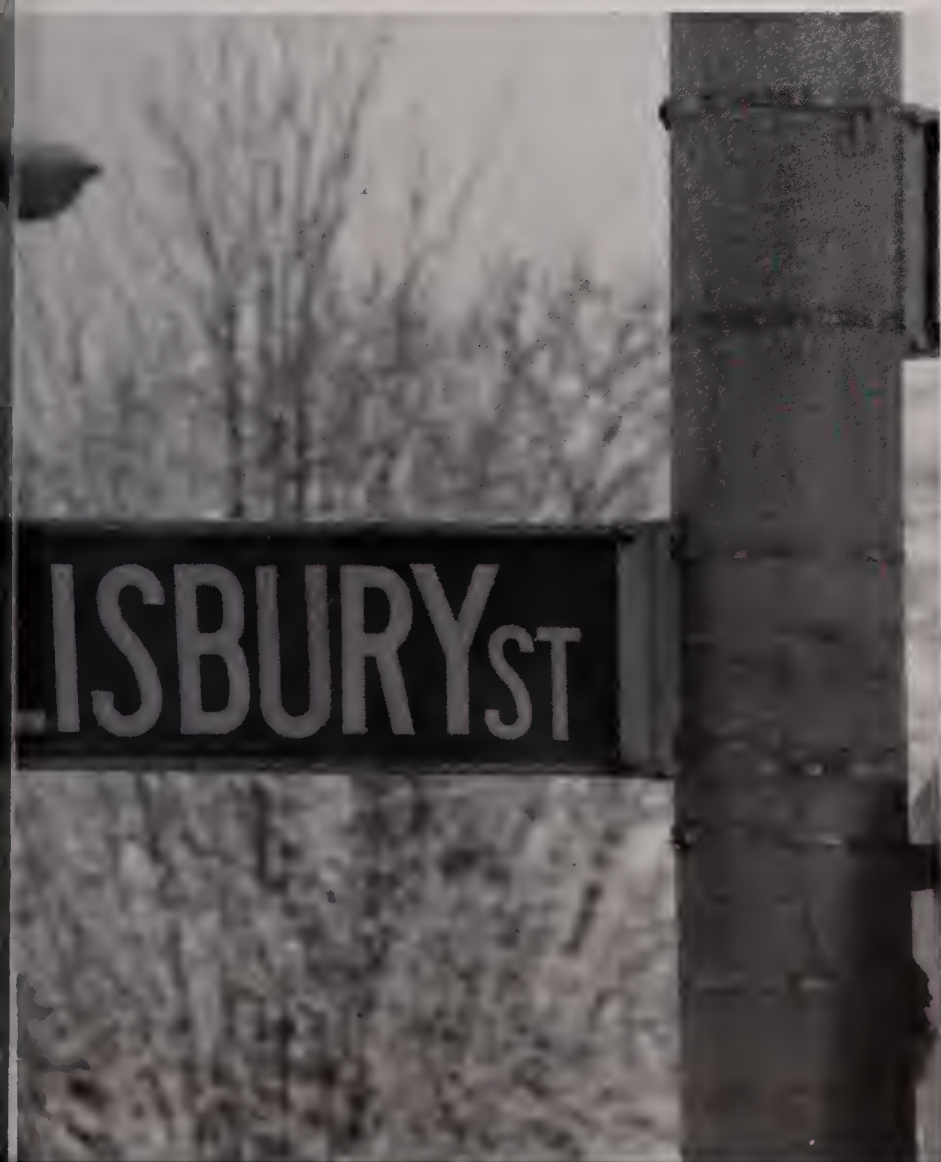

# About

for nachos, Kenmore Diner for breakfast, Denny's for just about anything, and The Boynton for the best pizza in Worcester.

When the weather turns nice and we get those warm spring nights- it's kind of nice to take advantage of some of the things around us that don't cost an arm and a leg. For relieving tensions from a long, tedious week of classes, there's nothing better than taking a quick walk down to the duck pond or a short drive to Indian Lake. Sitting there with friends or "that someone special" laughing and talking, taking bets on shooting stars, is one of the best cures I know for mellowing out after a night of partying. And, it's a sure cure for those homework blues.

"Out and About" it's a big part of out life here. School is not all books. So, by the way, "What time ya goin' out?"

Lyrics: Beverly Shaw Johnson (1985)    Melody: *Christe sanctorum* (Antiphone, Paris, 1681)

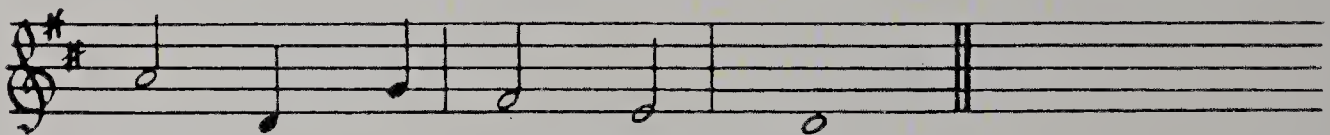

1. Pledge we our loy-al-ty to As-sump-tion Col-lege-
2. Our hearts will al-ways be with As-sump-tion Col-lege-

Whose de-di-ca-tion in pur-suit of know-ledge  
Her ban-ners wa-ving with out-stand-ing cou-rage

With-stands the test of time, aids us in our on-ward climb  
Call for fi-de-li-ty and protect a spi-rit free

In search of truth and light.  
Long live the blue and white!

*A very important task the yearbook must undertake is to gain financial support through the selling of advertisements. The staff members, like most people, don't realize how much money is actually required to put a yearbook together. However, they soon find out! The task begins with a mass mailing of letters to the parents of the members of the class of 1992. Thanks to the generosity of our parents, \$2350.00 was raised.*

*This figure represents approximately 10% of the cost of this publication. Ad*

*prices range from \$80.00 to \$360.00. Donations from sponsors range from \$10.00 to \$100.00. There are varying sizes of ads ranging from an eighth of a page to the full page itself. From sponsors' short notes to complete notes of congratulations, once purchased, an ad can say whatever one wants it to. If it were not for our generous parents, this yearbook would not be possible. We would personally like to thank them for making this one of the best-financed books ever.*

### Love From:

### All of your Parents

*Dear Marc,*

*Congratulations on your graduation from Assumption College. You have proven to yourself that you can accomplish anything you attempt. Your four years at Assumption have transformed our "little boy" into a wonderful man. You can always count on your family being there for you. May God Bless You, may you succeed in all future endeavors, and may the ship of "happiness" always be docked in your harbor.*

*We Love You.  
Mom, Dad, Craig, Buck*

Ellen Frigon,

May God in peace, direct and guide  
you along life's path.

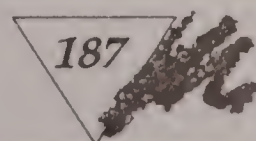

Congratulations, we're proud of you,

Love,

Dad, Ma, and Family

## Editor's Notes

*These are my personal notes to the special people who have made my years here at Assumption the most memorable time in my life. Each and everyone of you has touched a part of my soul and heart that no one else has. You all seemed to open a window for me just when a door often closed; and for that you have my love, respect, and friendship for always.*

"In the Great Green Room,  
there was a telephone  
a red balloon and a picture of  
the cow jumping over the moon . . ."

*Goodnight Moon - Margaret Wise Brown*

"Once upon a time in a faraway land a young prince lived in a shining castle. Although he had everything his heart desired, he was spoiled, selfish, and unkind.

But then one winter's night an old beggar woman came to the castle and offered him a single rose in return for shelter from the bitter cold. Repulsed by her haggard appearance, the prince sneered at the gift and turned the old woman away.

But she warned him not to be deceived by appearances for beauty is found within . . . "

*-Prologue, Beauty and the Beast*

My Dearest Marcy -

As you read this, it has probably been six months since graduation. And I hope the words I write will still mean as much to you.

For the past three years you have been my best friend and have given me all the happiness you promised you would. I realize there were times when I tried your patience and often times your love and I still wonder how you found me here. However through it all please know that I've always tried to love you the best way I know how.

~~You've molded and shaped my life just like~~  
"My Mother's Hands". Some of the time you

touched me in the most complex ways and some times with pure simplicity. I still see in your eyes all we've done: the picnics, the stories, the endless hours spent talking, the good and the bad. And I finally, see Myself and I like what I see, I only hope you do too.

Please know my love and trust is forever.

I'll love you forever

I'll like you for always

Now and Forever

You're Baby I'll be.

Love,

Lisa - Ann

Mr. Reidy-

There's a lot I could say, but I won't because according to you I talk too much - so let this suffice. You've been here for what seems like forever and I've learned a lot from you especially "I don't know". You've been great and I love ya.

Love,

Lis

Melissa-

Such a strong friendship in such a small amount of time. "Beverly Hills" will be different without you on Thursday nights. Be good!

Love,

Lee

Timothy-Imothy Mouse-

You've always known when to get tough with me and when to let your guard down. I'm glad you did. I still want the teradactyl and "Chilly Willy Penguin."

Love you. So!!

Lisa

Sue & Kristine-

So much to say- but only a few really matter. I've always been able to count on the two of you. I'll miss the homemade cards on every little insignificant holiday. But more than that I'll miss you.

Love you Both-

Lisa

Nicholas-

My big abominable snowman. The words don't come very easily for you because I tend to hide them. But know I do love you and you helped to make my life a lot brighter. I used "Believe In Yourself" for you.

Love,

Lisa

As the Head Copy Editor of the 1992 Heights Yearbook, I would like to take this time and space to communicate what this book has come to mean to me.

*When the heart is failing and despair is setting in, then to hear the voice or grasp the hand of a friend, in a shipwreck, in a defeat, in some failure or misfortune, may restore the necessary courage and composure to the paralysed and disordered mind and convert the feeble person into a hero. The essence of it is loyalty without which it would cease to be friendship.*

Friendship is what Assumption College has given me in the past four years. Now, I give Assumption College the 1992 Heights Yearbook in return. Friends like: Lisa (Grover), Jen (Youngin'), Ellen (Blister), Laurie (Bubbles), Dave (I mean- Dan!), and Heidi are the reasons for this books' great success. To me, we will always be friends for now and for forever. Thanks for times and memories Assumption.

**Tim Bedard**  
Head Copy Editor

Just remember: "If I don't see you again in this world, I'll see you in the next one. Don't be late!!!"

I would like to thank all those members of this year's yearbook staff who took time out of their schedules to help layout the numerous pages of the book. Together we created a yearbook that we can be proud of. I am grateful for your time, input, creativity and patience. The book would not have been completed without your help. Thanks again especially Laurie, Dawn, Jen, & Lisa R. and Dan whose expertise taught us all lessons in layout. Congratulations on a job well done!

*To My Classmates and Professors -*

As I sit here at my kitchen table in early August I'm trying to put into words how this book has made me feel for the past year and a half. The first words that come to my mind are: elated, frustrated, surprised, worried and proud.

People asked me all last year why I choose to become Editor of Heights and at times I often wondered myself - but now I know the reason - belonging.

Remember when we studied Maslow's Hierarchy of Needs? Belonging was the need I always identified with. I've tried all my life to feel like I belonged somewhere. At Assumption I felt like I belonged for the first time in my life and it's because of you, my friends, classmates, and professors that my sense of belonging is filled.

I've tried to make a book we can all be proud of, that gives us all the sense of belonging we need in our lives. We will always belong at Assumption - I only pray this book has been what you hoped it would be.

Special thanks to Marc - my rock when I spent days crying over missed deadlines and missing pages; Laurie, Jen, Lisa, Dawn, and Tim for all their time and patience; Dan Smith and Heidi Ganss for their guidance and last but not least the girls in 6I and the guys in 6J for all the times they stopped to ask me "How's the book going Lis, do you need any help?" Those words really meant a lot.

So - goodbye, good luck, and remember if you ever feel lost or that you don't belong somewhere - pull out this book and you will be someplace you belong.
